

Inukshuk 30/25

Inukshuk 30/25 is a complete and balanced meal for medium-large breeds, very active dogs, and working dogs. 30/25 is a balanced diet designed for high-energy endurance to fuel your dog's athletic activities. This formula provides the right amount of protein, fat and carbohydrates to support optimal performance. Our vacuum infusion process creates a calorically dense, nutrient rich, and highly digestible formula.
